PROFILE

I am a 22 year old session drummer from the central belt of Scotland with 12 years of playing experience. I have spent the last 6 years playing live and recording with different artists, getting to play in some dream venues and studios. The artists I have played with are in in the Pop / Alternative / Rock genres, but I listen to different styles of music and take inspiration from everything. I have a passion for learning new aspects of the instrument and I am keen to travel far for opportunities.

DANCING ON TABLES (ENCI RECORDS/ LV RECORDS) 2018–Present

I play with Scottish pop rock band Dancing on Tables with whom I have gained experience recording with different producers, one of which is Nashville based Grammy award winner Femke Weidema. Over the past 3 years I've been able to play the festival circuit across the UK, played arena support slots and lots of time touring, all of which I have ran the bands playback.

MOONLIGHT ZOO 2015-2020

I spent over 4 years with Alt Pop group Moonlight Zoo. I was able to play festivals from an early age, record in some top studios and travelled to play in America for the first time.

Nicky Lipp (TBC) — 2020- Present

I am part of a band of session musicians supporting an artist named 'Nicky Lipp' who is set to play his first shows towards the end of 2021. I have been a part of the recording sessions of an exciting batch of new songs set to be released in 2022. Nicky used to front indie band 'Sergeant' who signed to Mercury Records and this project is a result of a change in direction musically for him.
